Fairyland

Has a Surprise for the Kiddies.

Santa has a little, mysterious bundle for each little girl and boy. He will hand it to them as they come in—that is, if they are good little girls and boys.

Do bring the little ones in to get the "surprise," see Santa and slide down the old toboggan that the Old Lady in the Shoe has provided. She lets the youngsters slide down through her old shoe and come out at the toe!

But the most fun of all is the w-o-n-d-e-r-f-u-l Toys that are here,—the most wonderful in all New York. The dolls are almost as lovable as real babies, the soldier toys are a source of unceasing delight, the aeroplanes, automobiles and scooters are the envy of all.

Come one! Come All!
